

# Line interactive UPS

## TANIESH LI UPS

### Application

PC, Workstation

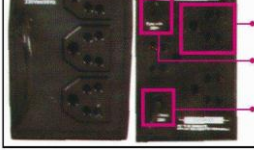

### Features:

- AVR 140- 300V
- Surge Suppressor
- Cold Start on Battery
- Overload Protection
- Battery drain Protection
- Off Line Charging
- Data line Protection
- With Optional Software in LI UPS
- Microprocessor Controlled

### Technical Specifications

	TLI-650	TLI-850	TLI-1010
		140- 300VAC	
		>40Hz(auto sensing) 47-53Hz, Generator Compatible	
		200 to 245V	
		230V +/-10%	
		50+/-1%	
		simulated sine wave	
		2	
		4ms typical	
	1x7 Ah		2x7 Ah
	12VDC		12VDC
	sealed maintenance free lead acid VRLA type		
	6-8 hours to 90%		
	yes
